RESIDENTIAL ALTERATION BUILDING PERMIT REQUIREMENTS

APPLICANT NAME:		DATE:			
PROPERTY ADDRESS:					
GENERAL					
<i>Remember, this is meant to be a helpful guide, not a comprehensive list.</i>					
Permit applications and inspection requests can be made online by visiting https://millcreekUT.gov/165/Building-Department					
Please visit the Utah Department of Air Quality for more information about demolition requirements. https://deq.utah.gov/air-quality/asbestos-renovation-or-demolition					
Note the total project cost on the application. This must include labor and materials.					
Dumpsters, restrooms, and material storage shall be kept on the property and off city streets, sidewalks and adjacent properties. Dumpsters can be stored on the street for a maximum of one week by obtaining a dumpster encroachment permit from the Public Works Department. Please visit https://millcreekUT.gov/174/Encroachment-Agreement					
Locate valuable information using the millcreekUT.gov "Map Gallery" at https://maps-millcrk.hub.arcgis.com/					
Is the property within FEMA Floodplain Zones A, AE, AO, or an Alluvial Fan? (click on Flood Plain layer within the Geological Features Map) Always identify floodplain on cover sheet of plans and reference source, elevations, and obtain any floodplain permits required. Please contact the Millcreek Flood Plain Manager for more information.					
Refer to https://millcreekUT.gov/165/Building-Department for more information and documents. (i.e. Apply for a permit, request an inspection, adopted construction codes, forms and links, climate and geographic design, and FAQ's)
